 - B. My response

“Lord, this is how I want to honor you today. I want to offer you my life—all of it—and I want to please you in all that I do. So here is my *mind*—fill it with your Word and its life-giving truths. Here are my *eyes*—may I see the world as you see it. Here are my *ears*—may I be attentive to the whispers of the Holy Spirit. Here is my *tongue*—may the things I share glorify you and edify others. Here are my *hands*— may the work I do be to the glory of God. Here are my *feet*—lead me to the ministry you have for me today.”
