Please bring a finger food to share along with your gift card. The Voight's have just returned from years in the Mission Field, and have many needs for basic necessities. The purpose is to bless them with gift cards so they can furnish their home on the new mission field, which is the Sacramento area. See your bulletin insert for more details!

**Missions:**

—**The Voight's** have said their goodbyes in Malawi and are now back in the US. Please remember Fostance and the Sports Friends team who have remained in Malawi, as well as the new sports ministry God has called them to with the refugees in Sacramento. Right now, Luke and Becca could use prayer as they look for a place to live and they are also in need of a car that is dependable and in their budget.

—**The Burgess's** continue work in the Bible translation for the Tarahumara people and are planning to go to a hospital out in the mountains to take Scripture to the maternity ward. They would appreciate your prayers for this, and for protection as well. Problems around there have not slowed down.
