### **Missions Updates and Prayer Requests:**

**The Center, Stockton:** Lisa Margaron's Dad had hip surgery a few months ago, contracted pneumonia and has never fully recovered, partially due to poor care in his current facility. He is being moved this week to another extended care facility where hopefully he'll receive the care he needs to recover.

**Fostance, Malawi:** "We are very thankful to God as many young people are making decision to follow the Lord and become part of the body of Christ in many places here in Malawi through the platform of Sports Ministry. However even we have this joy this month of March, we have been hit by terrible cyclones and floods and this caused lots of damages and many lost their beloved ones, as now 59 people are dead because of these floods and 900,000 people are affected. Many of them are homeless and are in 56 camps across the country. As the ministry we are not spared 100 of our players and coaches are effected too from these floods. We thank God for He is the source of our lives and He intended good things for his Children and He is the great source of our joy even in times like this one."
